Halong Bay day tour with bamboo boat ride

Took a day tour to Halong Bay. The boat trip was well organized with excellent lunch on board. The tour guide was very friendly and informative. The scenery in Halong Bay is beautiful with interesting caves to explore.

**Amazing**

The boat ride was comfortable, the weather was not the best but still wonderful to see the bay. Well worth the trip.

**Worth it for the boat & the waters**

Booked a day tour and spent the day relaxing on their beautiful boat. This wood themed large boat has lovely rooms as well for those staying on the cruise. Since ours was a day trip we didn't need a room but the rest of the facilities on the boat were also top notch. The loos were clean, the food was excellent, the tour guides gave us all the information we asked for. What made it special though was the sights and sounds of Ha Long Bay itself! This is an absolutel must-do if you are visiting Vietnam!

**Overall very pleasant tour plus a bonus of awesome weather**
