On arrival at the airport, you will be met and transferred to check in the hotel.

After a soft rest, your “3-day Luang Prabang Short Tour” begins with a visit to the magnificent Wat Xiengthong, a superb piece of Lao temple architecture, which presents a sweeping two-tiered roof and ornate mosaics including a beautiful ‘tree of life’ glass montage on the rear temple wall.

If time permits, we will take a short walk around the small streets of city center,

watching the life of local people.

After that, you will visit Royal Palace Museum, which was built in 1904 during the French colonial era for King Sisavang Vong and his family.

Late afternoon, we climb up to the top of Mount Phousi for an enjoyable exploration of the sacred, gilded stupa as well as a panoramic sunset view of the city and the Mekong River.

From there, join a private Baci ceremony at a local family. The Baci ceremony as a traditional ritual of the Lao people expresses the spirituality of the country and is a highly memorable experience and a deep insight into Lao culture for the participants.

From there, we will visit the temporary morning market near the former Royal Palace. Just set on the ground, the local people come here to barter their day's catch from rice, to vegetable, to fish, or chicken. This is the best chance to experience the taste of local life

Breakfast at the hotel, we will first visit the city's oldest temple of Wat Sene. After that, we embark on the leisurely cruise upstream on the Mekong River, which also gives us a breathtaking view of the tranquil countryside, before reaching the mysterious Pak Ou Caves, a 16th century cave monastery filled with thousands of Buddha images, which locates 25 Kilometers North of Luang Prabang in the limestone cliffs overlooking the Mekong river. En route, you will stop at Ban Muang Keo, a well-known village for its traditional Lao rice whisky distilling. You will arrive back in Luang Prabang.
